updated 21. 9. 2023 | published 21. 9. 2023

Summary

A simple handle that can be attached to the lid of a HÅLLBAR 10L bin

[Household](#) > [Kitchen](#)

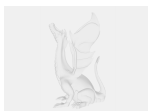

Tags: [ikea](#) [handle](#) [bin](#) [waste](#) [latch](#) [litter](#) [trash](#)
[hallbar](#)

Prints on the side, 0.2mm layer height is just fine. Use supports for a nice finish and slow external perimeters for better grip
